### Volunteer Sign-Up

Welcome to RAACHE Choirs! We view the training of our singers as a critical ministry. In order to keep this accessible to everyone, tuition is kept extremely low. We are only charging what we need to cover basic costs. Therefore, we need **volunteer help!** YOU can make a difference in many families' lives and help keep costs down by assisting with us with your time and expertise.

PLEASE NOTE: **All Arioso, Cantabile, and Con Brio families are needed to monitor during the year. Sign-Up Genius links/requirements/directions will be emailed by March 25. If there are circumstances that make monitoring impossible for you, please contact Susan immediately to make alternate arrangements, such as a family member stepping in for you.**

Grandparents, other family members, or willing and able choir supporters can be potential volunteers. Consider supervising an older child as he/she takes on one of our MANY volunteer opportunities. What a way to amplify an education AND give hours of service to others! If we all pitch in with gusto, the load will lighten for everyone. **Thank you for volunteering for the MOST you can do.** 😊

**RANK these to indicate preference** with a "1" indicating most preferred volunteer activity. **Please choose a minimum of 2,** but you can use as many numbers as you would like. 😊

**\*If you are a parent (or older teen) with piano accompanist skills, let us know! If you have the skill set needed, you could accompany one of the choirs and receive free tuition for all your children plus a small stipend. Contact Suzy to let her know of your interest. We also need to form a list of potential subs or occasional sectional accompanists.**

**PUBLICITY:** In an effort to make the job more doable, we ask that each of you would take at least **one poster** to hang up if we have a public concert. Below is the list of businesses that we have had posters displayed at. After looking at the list, please mark places that you normally frequent or are willing to drive by and take a minute to hang a poster. Thank you!!
